

Confused Over The Insurance Maze?

Appalachian Agency is here to help!

We will provide
free assistance with:

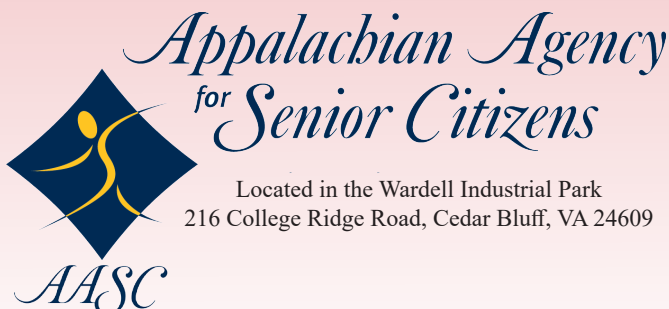

- Medicare Advantage Plans
- Prescription Drug Plans (Part D)
- Low-Income Assistance Applications

*We can help you find
the right plan*

This free service will help older adults on Medicare and disabled individuals navigate the Medicare website.

AASC's insurance counselor will explain the various plan's costs, coverages, and benefits. The counselor is not licensed to sell insurance, but is trained and certified to help you understand and compare benefits, assist with filing for benefits based on income and resources and to inform you of your rights.

AASC's insurance counselor will help educate and empower you to take an active role in the decision-making process.
